INTRODUCTION

PRESIDENT'S ADDRESS

It's my honour and pleasure to welcome you to Navan Tennis Club. Our club has undergone significant growth and facility improvements over the last number of years.

Back in 2012, we built our fine new clubhouse, in 2020 we resurfaced our 5 courts with Domo Ultra Topspin sports grass, most recently in 2023 we upgraded our floodlights to much brighter LEDs (achieving international competition light level standards).

All our membership have now reached historically high levels of approximately 250 Adults & 250 Juniors. This has significantly rejuvenated and re-energised our club. These new members bring new energy to our club, these new members will drive our club forward to better facilities and tennis offerings for all.

On the not too distant horizon, the club hopes to diversify a little and add a Padel court, along with other upgrades.

We will continue to improve our facilities, our offerings and our club governance so we will stand among the best run tennis clubs in the country.

Now, you can sit back and have a good read of this informative booklet which covers all aspects of our club from our rules and guidelines to additional information that will help you make the best use of what Navan Tennis Club has to offer.

Yours in Sport,

Cathal Tobin

SENIOR TENNIS SECTION

Navan Tennis Club has two sections which are run separately, namely senior section & junior section.

Organised tennis for seniors include the following:

SOCIAL NIGHT TENNIS

This is on every Tuesday evening from 7.30pm to 10pm from February to November inclusive. It is open to members and non-members. Non-members can attend the social night up to 5 times to get a feel for the club before deciding to join. There is a nominal entry fee, current €5.00 for non-members & €4.00 for members. The format can vary but is usually mixed doubles and players get to play a minimum of 3 matches with different partners.

INTERNAL LEAGUES & TOURNAMENTS

There a number of internal tennis events, such as Box Ladders, Singles & Doubles leagues organised each year. These are usually scheduled so they don't coincide with the various DLTC (Dublin) leagues. There are various formats including doubles, Singles & Mixed.

One Day Tournaments

The club organises approximately 1 afternoon tournament every 3 months. E.g., a spring tournament, a summer tournament with BBQ, a Halloween tournament and a Turkey Tournament in December among others.

CLUB CHAMPIONSHIPS

These are held every summer, more recently in late August/early September. There are 5 events for each section namely; Mens' Singles & Doubles, Ladies' Singles & Doubles and Mixed. There are 2-3 sections (A, B and C), depending on the number of entries. In 2023, over half the membership (114) members entered these events.

EXTERNAL LEAGUES & TOURNAMENTS

Dublin Lawn Tennis Councils Leagues (DLTC)

These are the most popular external leagues that the club competes in.

There are several leagues held throughout the year. In chronological order; these are Winter, Summer, Mixed, Over 35/45's and the Floodlit league. In recently years the club has been fielding up to 4 teams in the both the Ladies' and Mens' sections, so there are always plenty of opportunities to play on a team or sub. The club has clear selection guidelines set out to assist both selectors & members. Refer to the 'Forms & Documentation' page on our website.

Some of the Dublin leagues have different formats. E.g. the winter league fields 3 double pairings only, while the summer league fields 2 double pairings and 3 singles.

North Leinster League

This league's first season was summer 2019 and is intended for players who play at a level equivalent to Class 7 (DLTC) and below. It is a friendlier introduction to competitive league tennis compared to Dublin League. The format is 4 men or 4 women on a team, who play 2 doubles matches (different partners, one male & one female) on the day. Navan Tennis Club had the honour of hosting the Inaugural Finals back in 2019.

Leinster Provincial Towns Charity Tournament

This is a mixed tournament. It is held over a number of weekends usually in May or June.

Internal Tennis Ladders

There are both Singles & Doubles ladders in the clubhouse where members can challenge each other. The rules of the ladders are posted in the clubhouse beside the ladders. These are a great way for new members to get to play one another in the club. Rankings on these ladders are a very important part of the criteria used to assist the selectors with picking the teams for leagues.

PLAYING TIMES

Seniors have precedence over juniors on weekends and after 7.00pm during the week only. However the usual restrictions apply when there is organised coaching, competitions or league matches, blitzes, etc., scheduled.

Use of Free Courts during League Matches

This generally applies when 3 of the 5 courts are in use for leagues such as the DLTC winter league but also applies when matches finish early in other leagues.

Free courts can be used by other members (junior and senior) when league matches are in play. It is essential that the non-league playing members minimize any interruption/interference with the League Tennis. Interruption/interference could be noise or frequently hitting balls onto the adjacent court which interrupts the league players.

In the case where the Home Captain of the Team feels that the League players are been excessively distracted by the Non-League Players, then

the Captain can approach the non-league players and request politely that they minimize their impact on the league tennis. In the case where there is continuous interruption or distraction, the Home Captain can then request the players to vacate the adjacent court to free up a buffer court between the League players and non-league players.

JUNIOR TENNIS SECTION

Navan Tennis Club has worked hard to create a safe & friendly environment for our juniors. We strive to ensure that their experience reflects what is best for the junior. The stages of development and the ability of the child guides the type of coaching delivered.

The principles guiding our behaviour and culture are as follows.

INTEGRITY IN RELATIONSHIPS

Adults interacting with young people must do so with integrity and respect for the child. All adult actions shall be guided by what is best for the child and in the context of quality, open working relationships. Verbal, physical, emotional or sexual abuse of any kind is unacceptable and is not tolerated.

CLUB ATMOSPHERE AND ETHOS

Navan Tennis Club works to ensure we create and maintain a safe, positive and encouraging atmosphere. Our child-centred ethos helps to ensure that competition is kept in its appropriate place. We ensure that all children are treated in a fair manner regardless of age, ability, sex, religion, social and ethnic background. The club supports children with disability as much as possible to allowing them to participate to their potential alongside other children.

FAIR PLAY

Fair play is the guiding principle of the Irish Sports Councils Code of Ethics and Good Practice for Children's Sport. The European Code of Sports Ethics, defines fair play as "much more than playing within the rules". It incorporates the concepts of friendship, respect for others and always playing with the right spirit. Fair play is defined as a way of thinking, not just behaving.

COMPETITION

A balanced approach to competition can make a significant contribution to the development of young people, while at the same time, providing some fun, enjoyment and satisfaction. Our coaches aim to put the welfare of the child first and competitive standards second.

PLAYING TIMES

Juniors can play anytime as long as they are supervised appropriately for their age, noting that adults have precedence over juniors after 7.00pm. However the usual restrictions apply when there is organised events scheduled such as coaching, competitions, league matches, blitzes etc.

Junior Coaching

Refer to the section on coaching [below](#).

Junior Club Championships

The club now runs a Junior club championships every year. The events include Singles, Doubles & Mixed.

Blitzes

There are regular blitzes held every few months for juniors on Saturdays.

External Leagues

Dublin Lawn Tennis Councils Leagues (DLTC)

Since 2019, Navan Tennis Club has been entering teams in the Junior Section of DLTC leagues. There are under 14 and under 18 leagues.

Note: juniors can also play in the senior section summer & winter leagues from the age of 14.

The number of teams that are entered by our Junior Tennis Coordinator each year depend on the number of juniors willing to put themselves forward. We strongly encourage the juniors to enter as the experience of previous teams was really positive despite coming up against some very strong opposition.

CLUB ETIQUETTE

DRESS CODE

Proper tennis sports attire to be worn at all times on court

Proper tennis footwear must be worn at all times on court. Anyone not wearing appropriate tennis footwear will be ask to leave the playing courts.

COURT ETIQUETTE

When playing tennis, always show respect for your opponent and those playing on courts around you. The following tips will help you:

- Wait until the current point of play has ended before entering a court.
- Access the courts via the nearest gate for those courts. E.g. do not enter the first gate (reserved for court 1 & 2), if you are playing on court 3, 4 or 5, use the second gate.
- Close the gate behind you when entering or leaving the courts.
- Refrain from excessive noise, foul language etc. while playing or watching.
- Keep your voice level down so that you do not disrupt players on adjacent courts.
- Don't walk across or behind a court when play is in progress. Instead wait until the point has been played, then walk along the fence to your court quickly and quietly.
- Do not retrieve your ball from another court while play is in progress on that court. Kindly ask the players for your ball after their point is finished. Always acknowledge the return of your ball from the other court.
- If a ball rolls onto your court during play, you can decide to stop playing to play a let or to wait till the point is completed. Return balls promptly.
- When entering and leaving the car park at night please turn off your engine & head lights promptly, as this can be very distracting for players.
- Pick up all litter after yourself. Remove any litter, balls, lids, cans etc. when leaving your court and dispose of them in the bins provided, normally located under the Clubhouse stairs.

CODE OF CONDUCT

All occupants of Navan Tennis Club (members, guests, visitors) are expected to treat each other with courtesy and respect.

This applies equally whether the interaction is on our courts, in our clubhouse, or during any other club activity away from the club grounds.

When entering or leaving a court, players should wait for a break in play before passing along the fence to get to their court.

The highest levels of sportsmanship should always be maintained. No foul language, no throwing of rackets, etc.

Any verbal or physical intimidation will not be tolerated and will incur sanctions up to and including expulsion.

COMPLAINTS, LETTERS & REPORTING OF INCIDENTS TO THE EXECUTIVE COMMITTEE

Navan Tennis Club works to foster an ethos and culture that is transparent, friendly and supportive for all its members.

Members can submit a report or letter to the Executive Committee (preferably the club secretary) about any matter they wish. These letters/reports will be placed on the agenda and read out at the Executive Committee meeting where they will be reviewed and any course of action decided upon.

However, the exception to the above are letters of complaint against other members or letters which are deemed libelous. These get passed on directly to the chairperson of the Complaints Committee without being read out at the Executive Committee meeting. See below.

Complaints must be made within 14 days of when the incident that triggered complaint occurred.

Letters of complaint against another member get passed to the chairman of the Complaints Committee.

 - *Where players do not partake in the ladders*
- *Pairings can request a challenge match in the following situations:*
 - *Where the option to challenge via the ladders was not available, e.g. one pairing did not partake in the ladders and selectors have not requested a challenge match be played between these pairings*
 - *Challenges between teams have precedence over challenges within a team. E.g. A challenge between first doubles on the 3rd team against 3rd doubles on the 2nd team has priority over a challenge between 3rd doubles and 2nd doubles on the 2nd team.*
 - *Refusal to accept a challenge within 7 days **will** result in challenger(s) rising 1 position.*
 - *Refusals to accept challenges for team position will be communicated to the selectors & executive committee (e.g. secretary, chairman etc.). Pairings should communicate their challenges to the selector committee, whenever there is a reluctance to play these challenge matches.*
 - *Nominated Players are not obliged to accept more than one challenge match. E.g. If the challengers lose the challenge match, and wishes to re-challenge, the players can refuse the second challenge and the result of the 1st match stands.*

Other Selector Tasks

- *The DLM (Dublin League Manager) will submit team details and list of subs to DLTC by required date. Currently there are a Ladies', Mens' & a Junior DLM.*
- *Selectors will nominate a captain for each team. The captaincy shall be rotated as much as possible among the league players.*
- *In the unlikely event players are not available to fulfil a fixture in a particular class, selectors will advise the Executive Committee who will decide on a course of action.*
- *When the DLM is submitting the number of team entries to DLTC, the DLM must inform the DLTC that Navan will not be able to accommodate home matches on certain days or nights due to other club commitments. This will depend on the league. E.g. Tuesday nights are always unavailable and Friday nights are sometimes unavailable.*

Communication

- *Selectors will communicate to members to seek interest and in the upcoming league (e.g. WhatsApp, text, noticeboard). Selectors will then communicate the team selection. Unless specified it is assumed members agree to play as a nominated player or sub.*
- *Selector will communicate to **all members who signed up for a league** what the provisional teams are **4 weeks** ahead of the league's first match.*
